

Live Recert Courses

Airway & Ventilation - 7 Course Hours

Capnography (ALS Edition)
Oxygenation (ALS Edition)
Oxygenation (BLS Edition)

Ventilation (AEMT Edition)
Ventilation (EMT Edition)
Ventilation (NRP Edition)

EMS Operations - 7.5 Course Hours

Ambulance Safety (BLS/ALS Edition)
Crew Resource Management (BLS/ALS Edition)
EMS Culture of Safety (BLS/ALS Edition)
EMS Provider Hygiene, Safety, and Vaccinations (BLS/ALS Edition)
Field Triage: Disasters and MCIs (BLS/ALS Edition)
Field Triage: Disasters and MCIs, Enhanced Version (BLS/ALS Edition)
NAEMT 2017 National Survey on EMS ePCR Usability (BLS/ALS Edition)

NAEMT 2017 National Survey on EMS Preparedness for Disaster and MCI Response (BLS/ALS Edition)
NAEMT 2018 National Survey on Mobile Integrated Healthcare and Community Paramedicine (ALS Edition)
Pediatric Transport (BLS/ALS Edition)
Rescue-D Managing Patients With Disabilities (BLS/ALS Edition)

Cardiovascular - 18.5 Course Hours

Acute Coronary Syndrome (AEMT Edition)
Acute Coronary Syndrome (NRP Edition)
Adult Cardiac Arrest (ALS Edition)
Adult Cardiac Arrest (BLS Edition)
Congestive Heart Failure (ALS Edition)
Pediatric Cardiac Arrest (ALS Edition)
Pediatric Cardiac Arrest (BLS Edition)

Post-Resuscitation Care (ALS Edition)
Post-Resuscitation Care (BLS Edition)
Stroke (ALS Edition)
Stroke (BLS Edition)
Ventricular Assist Devices (ALS Edition)
Ventricular Assist Devices (BLS Edition)

Preparatory - 3 Course Hours

Adult Education and Learning Methodologies (BLS/ALS Edition)
Best Practices in Education (BLS/ALS Edition)
Classroom Management (BLS/ALS Edition)
EMS Research (BLS/ALS Edition)
EMS Research, Enhanced Version (BLS/ALS Edition)

Evidence-Based Guidelines (BLS/ALS Edition)
NAEMT 2016 National Survey on EMS Mental Health Services (BLS/ALS Edition)
NAEMT 2019 National Survey on Violence Against EMS Practitioners (BLS/ALS Edition)

Live Recert Courses

Medical - 43 Course Hours

Abdominal and Genitourinary Injuries (BLS Edition)	Medication Delivery (AEMT Edition)
Cardiovascular Disorders: Game-Based Lesson (BLS/ALS Edition)	Neurologic Emergencies: Seizures (ALS Edition)
Critical Care: Pharmacology (ALS Edition)	Neurologic Emergencies: Seizures (BLS Edition)
Critical Care: Pacemakers (ALS Edition)	Obstetric Emergencies (ALS Edition)
Critical Care: Blood Product Administration (ALS Edition)	Obstetric Emergencies (BLS Edition)
Endocrine Emergencies: Diabetes and Adrenal Disorders (ALS Edition)	Pain Management (ALS Edition)
Endocrine Emergencies: Diabetes and Adrenal Disorders (BLS Edition)	Pain Management (BLS Edition)
Gastrointestinal and Urologic Emergencies (BLS Edition)	Patients with Special Health Care Needs (AEMT Edition)
Genitourinary and Renal Emergencies (ALS Edition)	Patients with Special Health Care Needs (EMT Edition)
Immunologic Emergencies: Allergic Reaction and Anaphylaxis (ALS Edition)	Patients with Special Health Care Needs (NRP Edition)
Immunologic Emergencies: Allergic Reaction and Anaphylaxis (BLS Edition)	Psychiatric and Behavior Emergencies (AEMT Edition)
Infectious Disease (ALS Edition)	Psychiatric and Behavior Emergencies (EMT Edition)
Infectious Disease (BLS Edition)	Psychiatric and Behavior Emergencies (NRP Edition)
Medication Delivery (NRP Edition)	Respiratory Disorders: Game-Based Lesson (BLS/ALS Edition)
	Toxicologic Emergencies (ALS Edition)
	Toxicologic Emergencies (BLS Edition)

Special Patient Populations - 30.5 Course Hours

Assessing a Pediatric Patient (ALS Edition)	Children with Special Healthcare Needs: Diabetes Emergencies (BLS/ALS Edition)
Assessing a Pediatric Patient (BLS Edition)	Children with Special Healthcare Needs: Special Technology Needs/Devices (BLS/ALS Edition)
At-Risk Populations (BLS/ALS Edition)	Geriatrics (BLS Edition)
At-Risk Populations, Enhanced Version (BLS/ALS Edition)	Geriatric Emergencies (BLS Edition)
Children in Disasters (ALS Edition)	Gynecologic Emergencies (ALS Edition)
Children in Disasters (BLS Edition)	Maltreatment of the Child (ALS Edition)
Children with Special Healthcare Needs (ALS Edition)	Maltreatment of the Child (BLS Edition)
Children with Special Healthcare Needs (BLS Edition)	Newborn Resuscitation (ALS Edition)
Children with Special Healthcare Needs: Asthma Emergencies (BLS/ALS Edition)	Newborn Resuscitation (BLS Edition)
Children with Special Healthcare Needs: Autism (BLS/ALS Edition) Spectrum Disorder	Obstetrics (ALS Edition)

Live Recert Courses

Special Patient Populations - 30.5 Course Hours

Pediatric Dysrhythmias and Cardiac Arrest (ALS Edition)	Seizures and Fever in Pediatric Patients (ALS Edition)
Pediatric Dysrhythmias and Cardiac Arrest (BLS Edition)	Seizures and Fever in Pediatric Patients (BLS Edition)
Pediatric Medical Emergencies (ALS Edition)	Shock in Pediatric Patients (ALS Edition)
Pediatric Medical Emergencies (BLS Edition)	Shock in Pediatric Patients (BLS Edition)
Pediatric Respiratory Emergencies (ALS Edition)	Traumatic Injuries of the Child (ALS Edition)
Pediatric Respiratory Emergencies (BLS Edition)	Traumatic Injuries of the Child (BLS Edition)
Respiratory Emergencies in Pediatric Patients (ALS Edition)	Understanding Children (ALS Edition)
Respiratory Emergencies in Pediatric Patients (BLS Edition)	Understanding Children (BLS Edition)

Trauma - 17 Course Hours

Airway Assessment and Management of the Trauma Patient (ALS Edition)	Fluid Resuscitation (ALS Edition)
Airway Assessment and Management of the Trauma Patient (BLS Edition)	Hemorrhage Control (ALS Edition)
Breathing, Ventilation, and Oxygenation of the Trauma Patient (ALS Edition)	Hemorrhage Control (BLS Edition)
Breathing, Ventilation, and Oxygenation of the Trauma Patient (BLS Edition)	Kinematics of Trauma (BLS/ALS Edition)
Central Nervous System Injury Trauma: Injuries to the Brain (ALS Edition)	Physiology of Life and Death (ALS Edition)
Central Nervous System Trauma: Injuries to the Brain (BLS Edition)	Physiology of Life and Death (BLS Edition)
Central Nervous System Trauma: Injuries to the Spinal Cord (ALS Edition)	Scene Assessment and Primary Assessment of the Trauma Patient (BLS Edition)
Central Nervous System Trauma: Injuries to the Spinal Cord (BLS Edition)	Scene Assessment and Primary Assessment of the Trauma Patient (ALS Edition)
Circulation, Hemorrhage, and Shock (ALS Edition)	Secondary Assessment of the Trauma Patient (ALS Edition)
Circulation, Hemorrhage, and Shock (BLS Edition)	Secondary Assessment of the Trauma Patient (BLS Edition)
	Special Considerations in Trauma (ALS Edition)
	Special Considerations in Trauma (BLS Edition)
	Trauma Triage (BLS/ALS Edition)
	Trauma Triage, Enhanced Version (BLS/ALS Edition)

Live Recert Courses

Fire - 100.5 Course Hours

Assisting Special Rescue Teams (NFPA 1001)	Hazardous Materials: Decontamination Techniques (NFPA 472)
Budgeting (NFPA 1021)	Hazardous Materials: Implementing a Response (NFPA 472)
Building Construction (NFPA 1001)	Hazardous Materials: Overview (NFPA 472)
Communication Skills (NFPA 1041)	Hazardous Materials: Personal Protective Equipment, Scene Safety, and Scene Control (NFPA 1072/472)
Crew Resource Management (NFPA 1021)	Hazardous Materials: Properties and Effects (NFPA 472)
Emergency Medical Care (NFPA 1001)	Hazardous Materials: Recognizing and Identifying the Hazards (NFPA 472)
Estimating Potential Harm and Planning a Response (NFPA 1072/472)	Hazardous Materials: Response Priorities and Actions (NFPA 472)
Evaluating the Fire Service Instructor (NFPA 1041)	Implementing the Planned Response (NFPA 1072/472)
Evaluating the Learning Process (NFPA 1041)	Incident Command System (NFPA 1001)
Evaluation and Discipline (NFPA 1021)	Instructional Curriculum Development (NFPA 1041)
Evidence Preservation and Sampling (NFPA 1072/472)	Introduction to Fire Officer (NFPA 1021)
Fire and Emergency Medical Care (NFPA 1001)	Ladders (NFPA 1001)
Fire Attack (NFPA 1021)	Leading the Fire Company (NFPA 1021)
Fire Attack and Foam (NFPA 1001)	Legal Issues (NFPA 1041)
Fire Behavior (NFPA 1001)	Lesson Plans (NFPA 1041)
Fire Cause Determination (NFPA 1001)	Managing Incidents (NFPA 1021)
Fire Cause Determination (NFPA 1021)	Managing the Evaluation System (NFPA 1041)
Fire Detection, Protection, and Suppression Systems (NFPA 1001)	Mass Decontamination (NFPA 1072/472)
Fire Fighter Rehabilitation (NFPA 1001)	Methods of Instruction (NFPA 1041)
Fire Fighter Safety (NFPA 1001)	Operating Detection, Monitoring, and Sampling Equipment (NFPA 1072/472)
Fire Fighter Survival (NFPA 1001)	Organized Labor and the Fire Officer (NFPA 1021)
Fire Fighter Tools and Equipment (NFPA 1001)	Personal Protective Equipment (NFPA 1072/472)
Fire Fighters and the Fire Officer (NFPA 1021)	Personal Protective Equipment (PPE) and Self-Contained Breathing Apparatus (SCBA) (NFPA 1001)
Fire Officer Communications (NFPA 1021)	Portable Fire Extinguishers (NFPA 1001)
Fire Prevention and Public Education (NFPA 1001)	Preincident Planning (NFPA 1001)
Fire Service Communications (NFPA 1001)	Preincident Planning and Code Enforcement (NFPA 1021)
Fire Suppression (NFPA 1001)	
Forcible Entry (NFPA 1001)	
Handling Problems, Conflicts, and Mistakes (NFPA 1021)

Live Recert Courses

Fire - 100.5 Course Hours

Preparing for Promotion (NFPA 1021)	Terrorism Awareness (NFPA 472)
Product Control (NFPA 1072/472)	The History and Orientation of the Fire Service (NFPA 1001)
Properties and Effects (NFPA 1072/472)	The Learning Environment (NFPA 1041)
Recognizing and Identifying the Hazards (NFPA 1072/472)	The Learning Process (NFPA 1041)
Regulations, Standards, and Laws (NFPA 1072/472)	The Learning Process Never Stops (NFPA 1041)
Responder Health and Safety (NFPA 1072/472)	Today's Emergency Services Instructor (NFPA 1041)
Response to Illicit Laboratories (NFPA 1072/472)	Training and Coaching (NFPA 1021)
Response and Size-Up (NFPA 1001)	Training Program Management (NFPA 1041)
Ropes and Knots (NFPA 1001)	Understanding People: Management Concepts (NFPA 1021)
Rules of Engagement (NFPA 1021)	Understanding the Hazards (NFPA 1072/472)
Safety and Risk Management (NFPA 1021)	Vehicle Rescue and Extrication (NFPA 1001)
Safety During the Learning Process (NFPA 1041)	Ventilation (NFPA 1001)
Salvage and Overhaul (NFPA 1001)	Victim Rescue and Recovery (NFPA 1072/472)
Scheduling and Resource Management (NFPA 1041)	Water Supply (NFPA 1001)
Search and Rescue (NFPA 1001)	Wildland and Ground Fires (NFPA 1001)
Technical Decontamination (NFPA 1072/472)	Working in the Community (NFPA 1021)
Technology in Training (NFPA 1041)	

HR and OSHA/Compliance - 17 Course Hours

Alcohol and Substance Abuse for Supervisors and Managers	Workplace Violence
Sexual Harassment Overview for Managers	Bloodborne Pathogens
Sexual Harassment Prevention for Managers	Safety and Health Programs
Sexual Harassment Response for Managers	Personal Protective Equipment for General Industry
Sexual Harassment Prevention for Employees	Fall Prevention and Protection Awareness
Slips, Trips, and Falls	Exit Routes, EAP/Fire Prevention Plans
Office Ergonomics	OSHA Recordkeeping and Reporting
Fatigue Management for Employees Awareness	OSHA Heat Illness Prevention for Workers
Respiratory Protection Awareness	Lifting and Back Injury Prevention
